

MARGARET DYER
“THE FIGURE IN PASTEL—IN THE STUDIO & OUT”

14 nights JUNE 11-25, 2014
Includes 4 nights in Provence

"Join us for two wonderfully intense weeks in France: In the studio we'll work with a model in a Dega-esque boudoir scene; we'll take excursions to Paris and Provence then create paintings from our excursions. You'll return home with fond memories of late night conversations with new friends and a new body of finished pastels, ready for framing. It'll be magical." Margaret Dyer

For Margaret's 5th year anniversary with La Bonne Etoile, this year's workshop is the biggest adventure yet. We will start with 10 days at La Bonne Etoile, working intensely with a model and photos from our short excursions throughout the Champagne Region, plus a full day in Paris. Then we will board France's fast train, the TGV to Avignon in Provence to continue the adventure settling into our guest house before following the footprints of Van Gogh and other impressionists in exploring the region. Working in the morning around the pool or en plein air during our excursions, we will visit Aix en Provence, Bonnieux, Gordes, St Remy, Isle sur Sorgue, Les Baux, plus more.

THIS IS THE YEAR NOT TO MISS!!
