“Painting the Figure & the Narrative”

Pastel and Oil
August 22-September 5, 2015

I am changing it up a bit this year, raising the bar for all the students. We will still be concentrating on the figure in pastel and oil with a model. But, the emphasis will be “how to tell the narrative” Using our visits to Paris and the surrounding French villages we will search out the greatest resource material to use in our paintings so we all go home with great work worthy of framing. I can't wait to share this time with you.
